This guide is for you who studies at DSV and is about to write your thesis work. It describes how you quickly can create a Turnitin account for plagiarism check. This makes it possible for you to send your thesis to your supervisor for plagiarism check.

**As a student, follow these steps:**

1. **Go to Turnitin homepage [www.turnitin.com](http://www.turnitin.com) .**
2. **Create a student account**, which is connected to your supervisor's course. Follow the instructions in this video:

**Video**, create student account connected to supervisor's course:

**You will need the following information from your supervisor:**

- **Class ID**
- **Enrollment password**

If you haven't received this information, please contact your supervisor.

3. **Hand in your thesis for plagiarism check.** When you are done with your thesis it should be sent to Turnitin for a plagiarism check. Hand in your thesis to your instructors Turnitin course which you should have joined in the previous step.

**Video**, hand in thesis to your supervisor's course:
